## Homework Timetable

### Year 11

The Core subjects of English & Maths will set a minimum of one piece of homework per week for students to complete. Science will set a minimum of two pieces to be complete. Below is a timetable as to which day each English & Maths will set homework on. Due to the complex nature of the Science timetable each teaching group will be informed separately. The homework will need to be handed back in on the same day the following week. If you require further information about the homework, please contact the relevant member of staff for the subject area

Other subject areas will set homework as required for their individual areas. As a general rule in KS4 students should be receiving one piece of homework roughly once every 5 lessons.
