September 11th, 2020

Dear Parent / Carer,

It has been a real pleasure to welcome students back into school, especially our new Year 7s, who have settled into their new school environment very quickly.

At the start of a new school year, it is useful to highlight a few reminders around routines and expectations.

There has been some time spent with the students going through these, and they have successfully taken on board any new measures we have put in place to meet with current Government guidelines. The atmosphere in and around school has been exceptionally calm, with students re-engaging with learning in a positive manner.

Start and end of the school day

Thank you for your support in encouraging your child not to arrive before the allocated year group times:

Year	Arrival Time	Arrival Route
Pupils arriving by public bus		Pupil should report via reception and then to the school hall, where pupils will be seated in year group sections
7	08:30	Via main pupil entrance and report to tutor room
8	08:40	Via main pupil entrance and report to tutor room
9	08:40	Via Hall door entrance and report to tutor room
10	08:50	Via main pupil entrance and report to tutor room
11	08:50	Maths block and report to tutor room
Sixth Form	08:30	Access to Common Room from 08:30. Report to tutor room at 08:40

To protect the students as they walk down the drive, a barrier will be in position from 8:25 each morning and 2:45 each afternoon; this will be removed once all students are safely on or off site.

Late to school

From Monday 14th September, (if a student arrives late to school), they will be issued with a 10- minute detention to be served at the end of the same day:

Year Group	Late to school after	Detention
7	08:35	14:50 – 15:00
8 & 9	08:45	14:50 – 15:00
10 & 11	08:55	15:00 – 15:10
12 & 13	08:50	15:00 – 15:10

Meetings in school

As part of the school's covid management plan, **meetings will only take place by prior arrangement.** Parents must **not** come to reception and request to see a member of staff.

Where possible, discussions should take place by telephone.

Guided Personal Support

In lessons, your child's understanding of concepts and content is monitored closely by their class teacher.

Your child's teacher may identify that they will benefit from additional support and, accordingly, a Guided Personal Support session will be set. This will be after school for up to 30 minutes. You will receive at least 24-hours advance notification of this session.

Guided Personal Support will also be set if a home learning task has not been completed, however your child will be given a second opportunity to bring the task in; at this point the Guided Personal Support will be cancelled.

Mobile Phones

A reminder that student phones must be switched off and in their bags from the moment they walk onto the drive.

If a phone is seen or heard it will (on the first occasion) be confiscated and made available for collection at the end of the day.

If this should happen a second time, the phone will be confiscated and the parent contacted to remind the student of our expectations.

Should you need to contact your child as a matter of urgency, please telephone reception and a message will be delivered immediately.

Should your child need to contact you, they can come to reception or to a Pastoral Office to do so.

Study Club

We recognise that some students may require support with home learning tasks or may prefer to complete homework within an education environment. Study Club will run every day from 3:00 – 4:00 in IT3. This will be supervised by a member of staff, who will be able to support with the tasks set.

We look forward to working with you and your child throughout this year and thank you in anticipation of your support in maintaining our high expectations.

Yours sincerely,

Miss D Sullivan
